

ARLEY

~ HALL & GARDENS ~

The Gardens have good access in all weathers with all pathways being either grass or gravel. However, both The Grove and Woodland Walk are unsuitable for wheelchair access during wet periods.

The Gardens can take several hours to meander around whilst The Grove (0.34 miles) can take approx 30 mins, depending on your pace and the Woodland Walk (0.29 miles) can take approx 15 mins, once again, depending on your pace.
